END of the ROAD

As the year comes to an end, our lives are just beginning. We, the Class of 1997 have come a long way. As we leave behind friends and faculty of Suffield High School, the memories are kept close to our hearts. It seems that just the other day, we started out as freshmen, and now it is time to leave. Many of us have future plans and are on the road to fulfill our dreams.

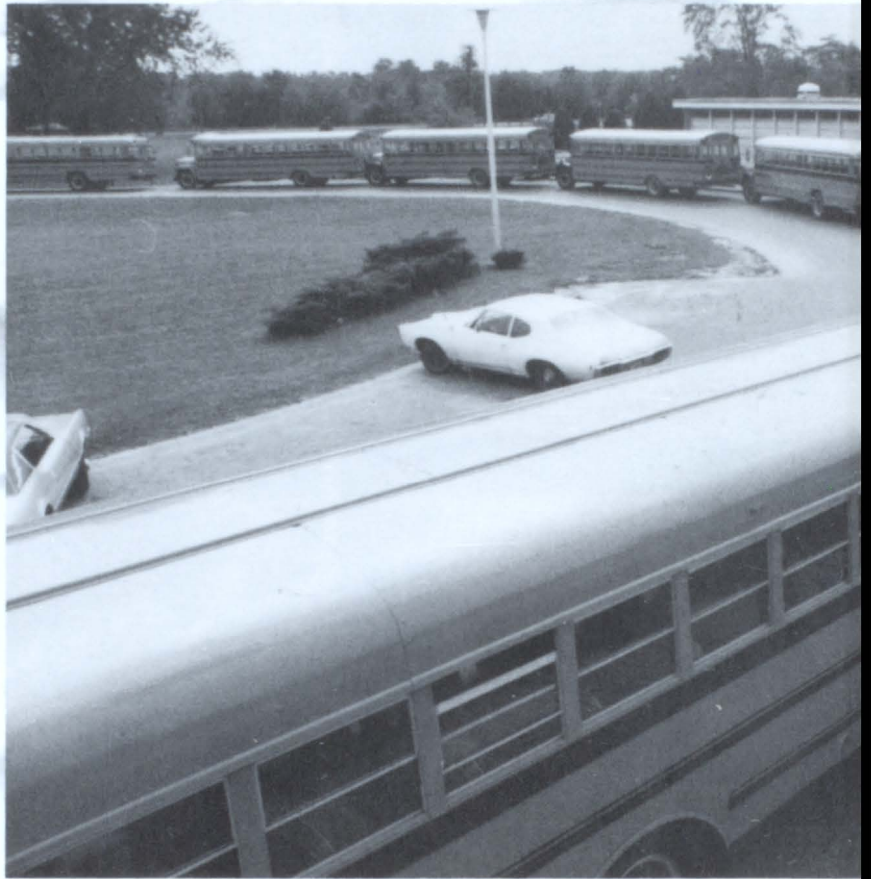

by- Rebecca Dayle Roberts.

END of the ROAD

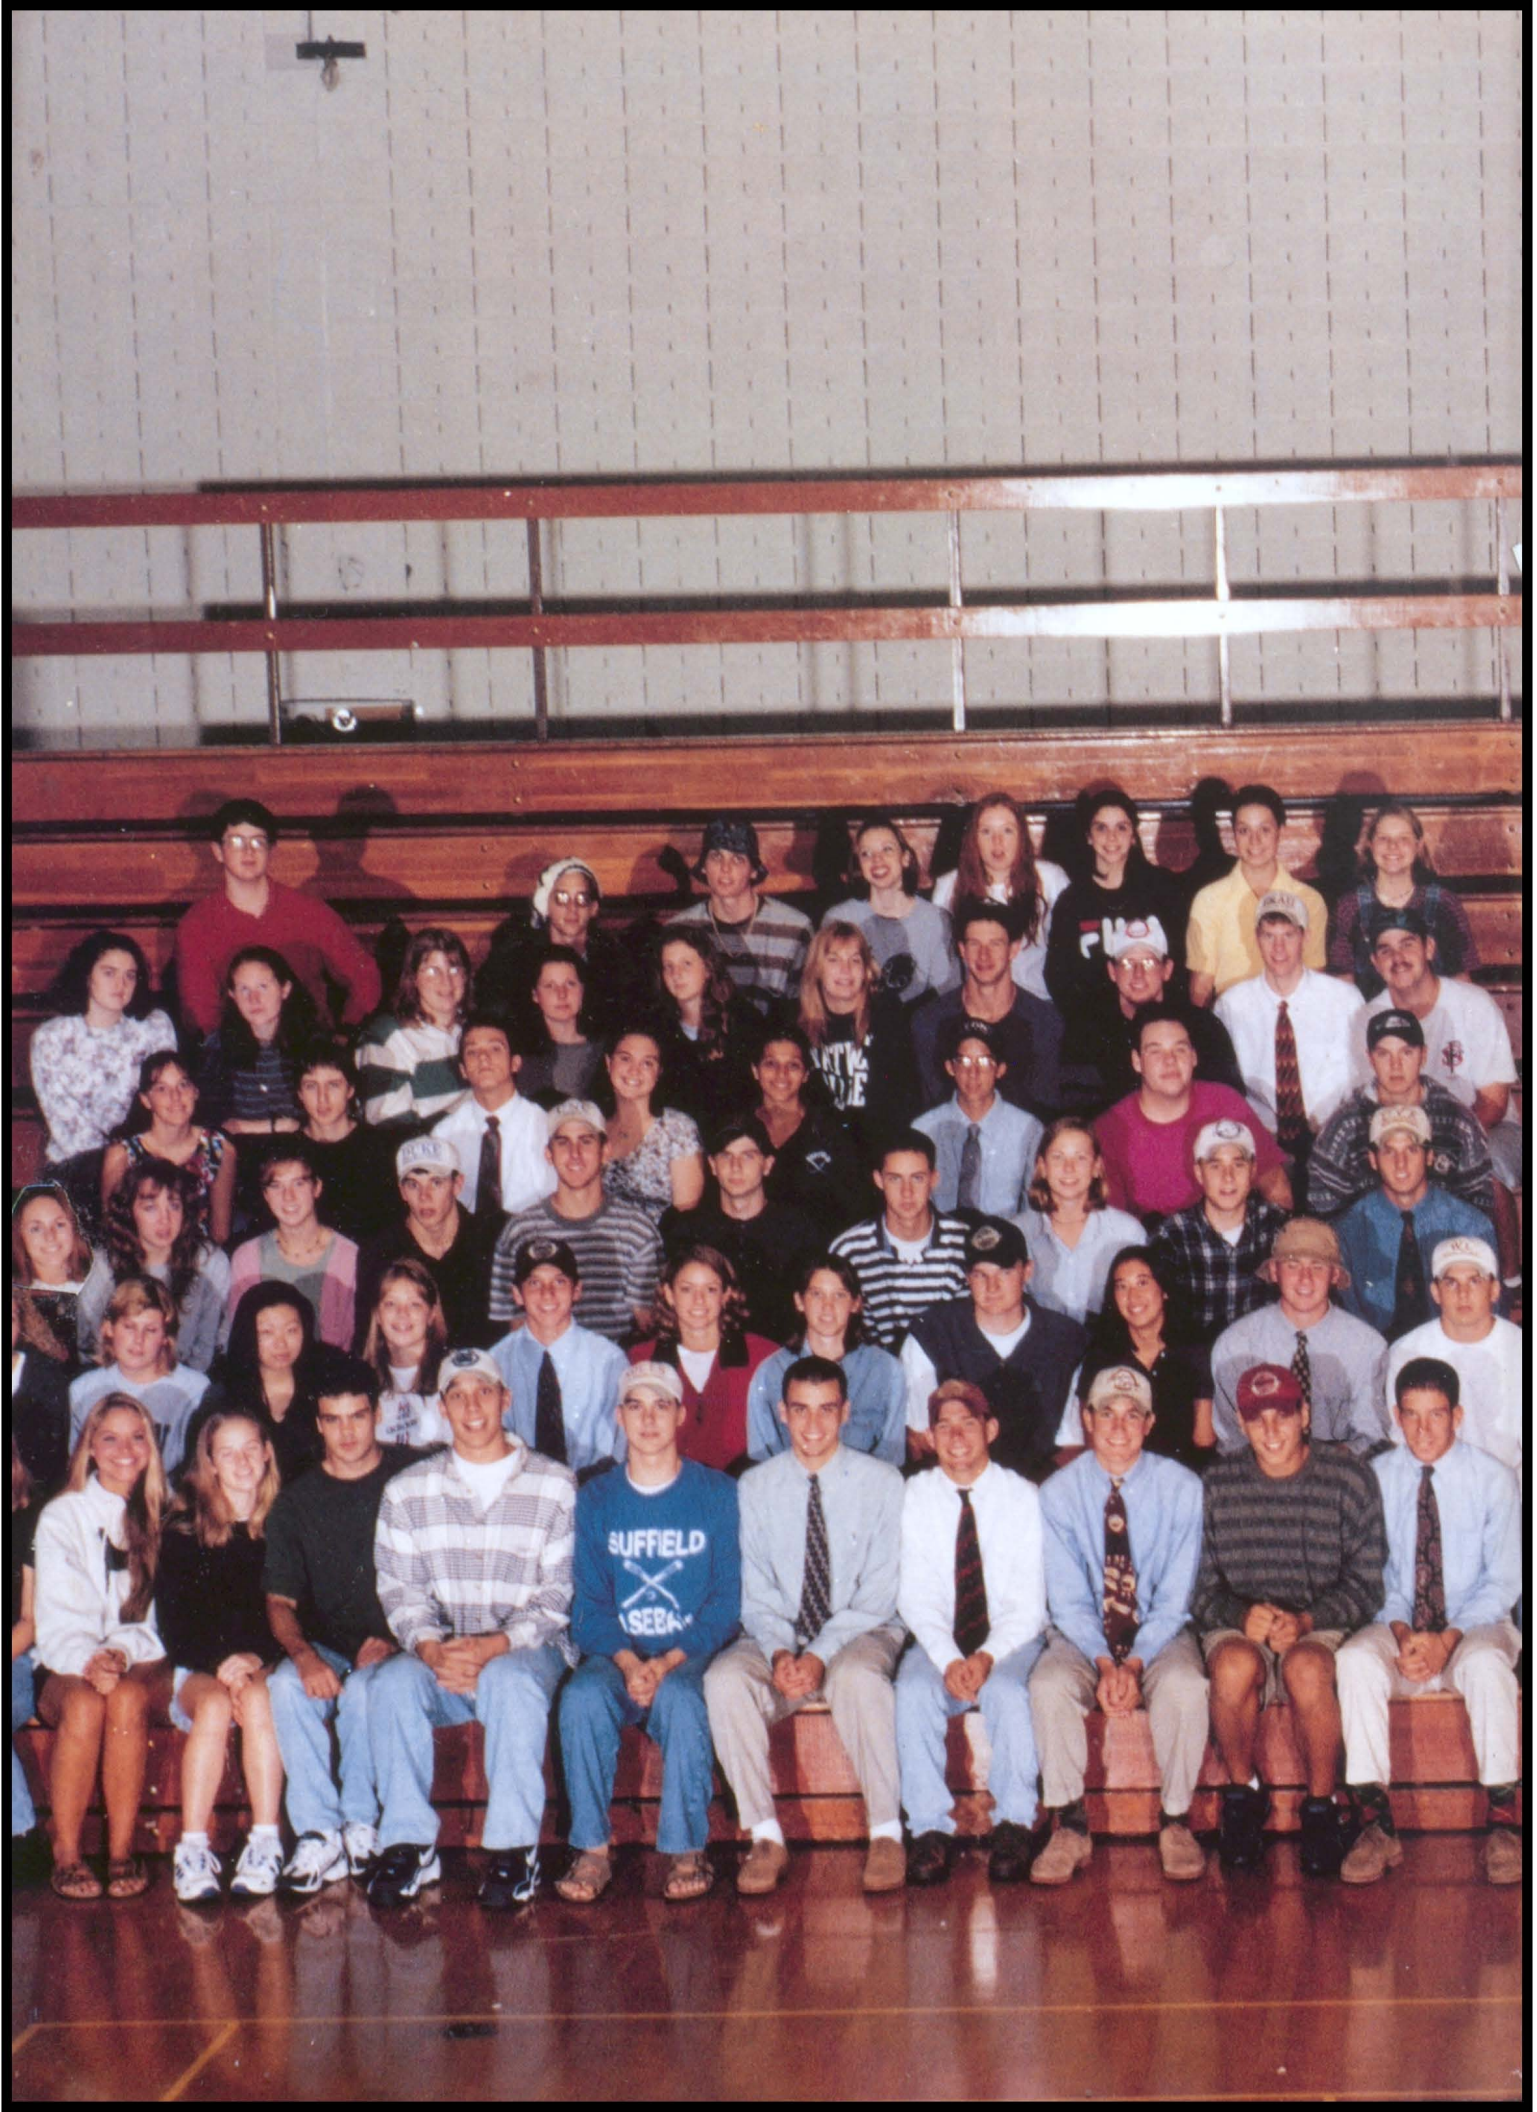

*This world we live in today--
change comes day by day.*

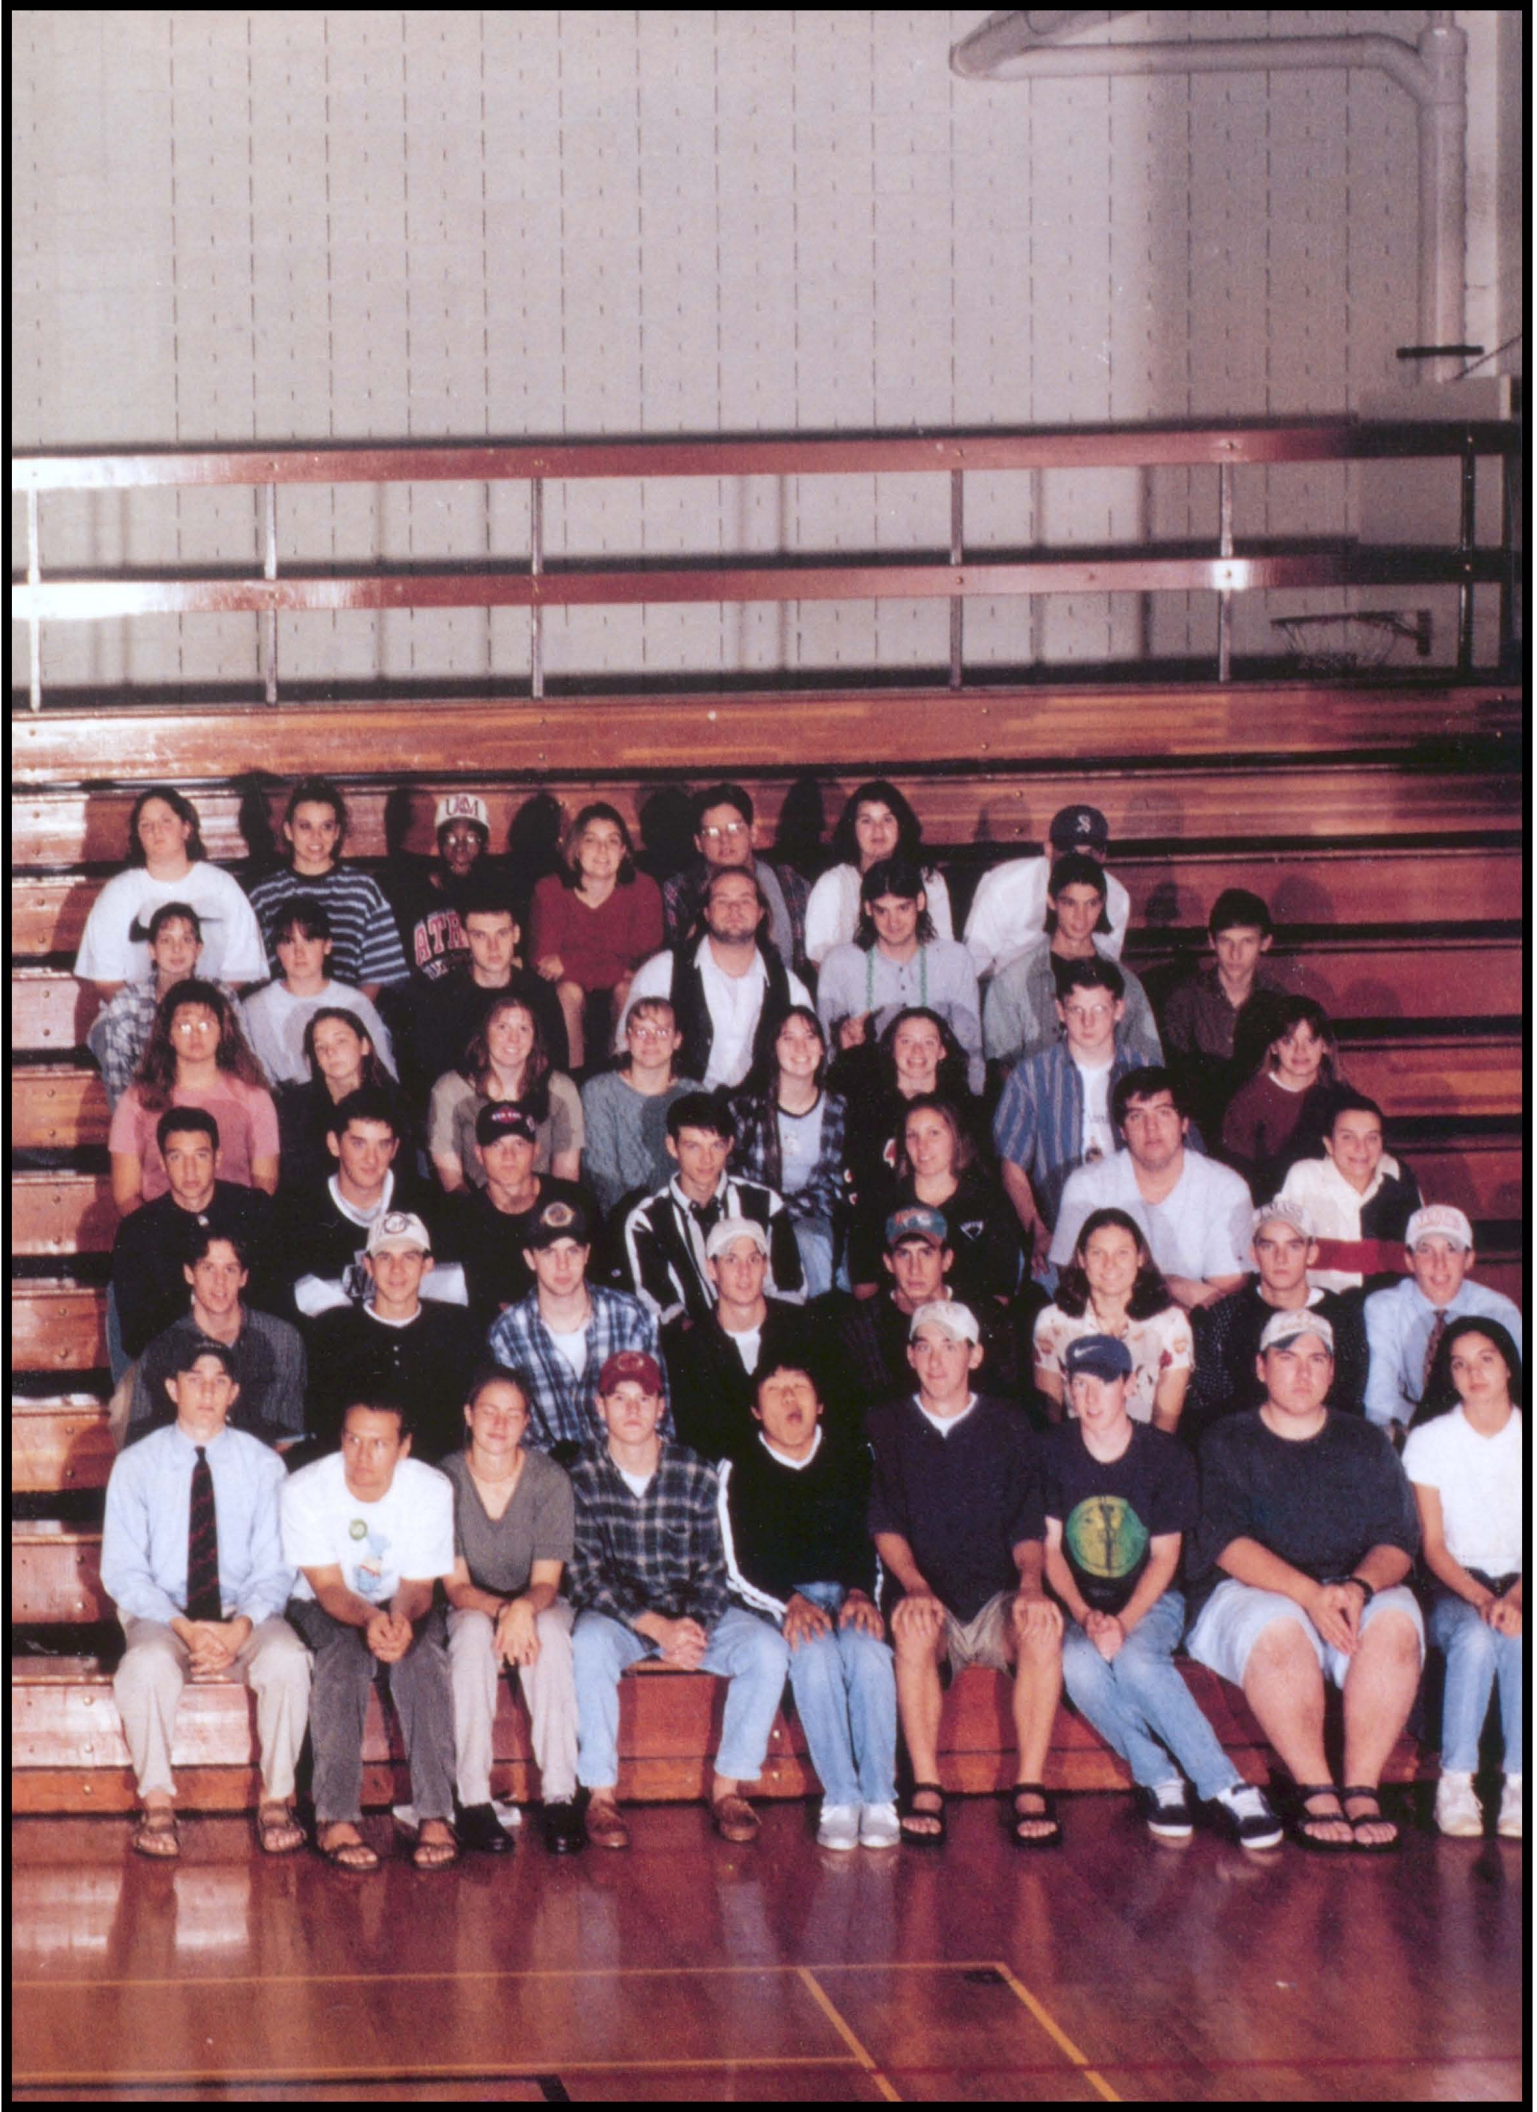

*It's strange how the colors are rearranged,
while the seasons change, to see some things
remain the same.*

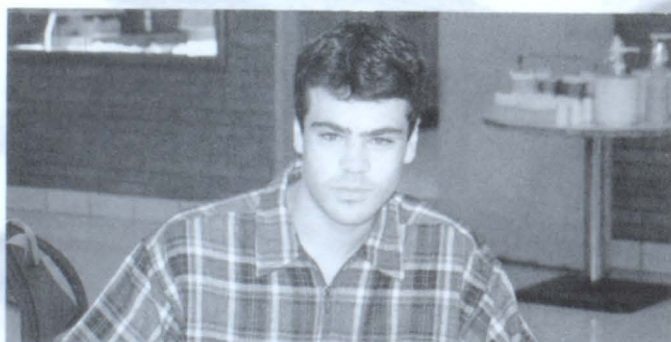

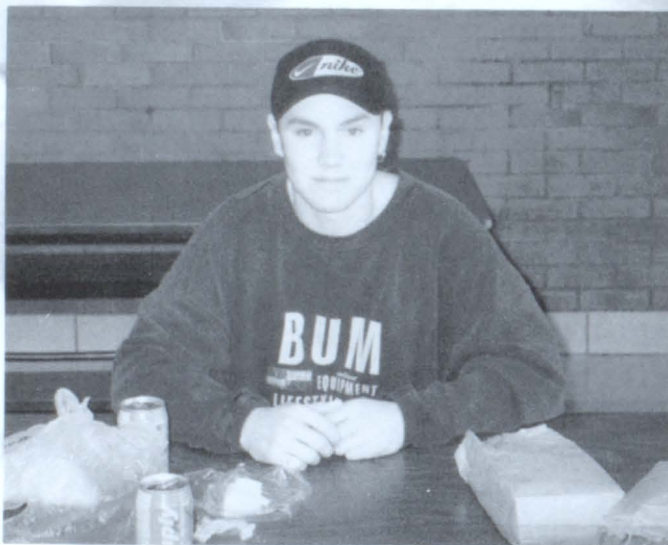

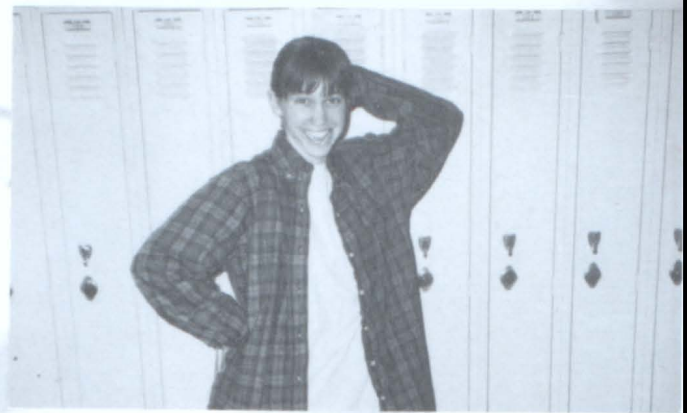

*It's time to move on, we're on are way
to greater experiences, although
the memories remain.*

Appreciation

The class of 1997 extends its sincere thanks and deep appreciation to Mrs. Elizabeth Mavis and Mrs. Lynn Cigal for their leadership and continuous support. Throughout our four years at Suffield High School they have always been there to guide us and to help us achieve our goals. Whether it was a last minute drive to Dave's for goldfish or a 7 a.m. council meeting, they were always willing to take the time to assist us in any way possible. Both Mrs. Mavis and Mrs. Cigal, through their caring dedication, have brought our class success in all of our endeavors. Without them we would never have been able to do it.

TEACHER OF THE YEAR

"I believe I am not in the classroom to teach, but to facilitate, to aid the students in learning for themselves. That is exciting to me...I encourage students to participate, to suggest activities, to be creative, to discuss differing opinions and respectfully listen to each other, building communication skills and learning to tolerate and appreciate differences."--Mrs. Lynne Cigal

Mrs. Lynne Cigal teaches Family and Consumer Sciences and Life Education. She began teaching at Suffield High School in 1988. During this time, she has been Advisor or Co-Advisor to the AFS Club, National Honor Soci-

Sports

Womens Varsity Soccer

This years seniors led their team from the label of "rebuilding" to the honor of being most prominent squad in their conference. As North Central Connecticut Champions for the second year in a row, the Lady Cats have shown that with a little skill and a lot of determination anything can happen. With only four returning starters from last season, this team showed their heart, closing out the regular season with a 15-1-0 record. The four seniors Addie Seiler, Sena Maziarz, Carrie Peake and Nicky Rusin, closed the book on their high school soccer careers with a 2-1 loss to Tourtellete in the Class S quarterfinals. Even though they had to end their season with a loss, this group of young women started a winning tradition that is here to stay.

Mens Varsity Soccer

This was the first time in years the soccer team had great expectations. The 11 seniors had been through three good years and they knew they would get their chance to be great. This group of guys have been playing together for several years. They talked about attaining the state championship and getting their chance to lead the team. Although coming so close to their goal, they came up just short. They lost to Joel Barlow-Redding 1-0, with 2 minutes to go in double overtime in the semifinals of the Class M State Tournament. They finished second in the conference, finishing with a 14-3-2 record.

Thanks to the captians, Jen Wanat and Sharon Henrie, and our Coaches Ellie Boleski and Mr. Dougherty. Good luck to al the future runners!

Swimming and Diving

This year the Suffield Swim Team ventured out on its own, as the Co-op team with Windsor Locks was discontinued. This combined with the loss of 6 key seniors and 2 swimmers to other commitments, made for a rebuilding year. The season, 3-3, posted by the swim team was impressive. The team had no lack of star swimmers. The relay team and captain Corkey Dunphy excelled all the way to the state finals. With the entire nucleus returning for another season under the excellent leadership of Coach Karen Drake, the Wildcats will be the team to beat in 1997.

Womens Varsity Softball

The 1996 Suffield Women's Varsity Softball Club had their best team in years. They played competitively while posting a respectable 5 - 11 record and offered plenty of hope for the future. The team was guided by 1996 seniors Kristen Berriman and Jenn Connelly, but it was standout freshman third baseman Kim Moulton who grabbed the headlines with her veteran-like hitting and fielding. 1997 could be this team's breakout year. London, England

The appreciation and the joy of sharing music together have provided the opportunity for the Suffield music students to travel to England during their Spring Vacation. The trip was a wonderful experience for all. The Camerota students have studied the history of 13th through 16th century England so they can better appreciate the music and the people of this time period of which they strive to portray through their own performances. They found England to be a beautiful country surrounded in its history through its culture and architecture.

Massage is a language which speaks of gentleness and connection, trust and receiving, peace and alertness, efficiency and creativity. All it takes is two hands to communicate it and a body open to listening. What it says is universal.

Children Learn What They Live

If a child lives with criticism,
He learns to condemn.
If a child lives with hostility,
He learns to fight.
If a child lives with ridicule,
He learns to be shy.
If a child lives with shame,
He learns to feel guilty.
If a child lives with tolerance,
He learns to be patient.
If a child lives with encouragement,
He learns confidence.
If a child lives with praise,
He learns to appreciate.
If a child lives with fairness,
He learns justice.
If a child lives with security,
He learns to have faith.
If a child lives with
acceptance and friendship,
He learns to find love in this world.

Thank you
for celebrating this day with me.

Sincerely,
Victoria Lorraine Bucchino

Say Good-Bye to a Senior

Ju Hong: Hope you had a great four years of SHS, but I hope you have an even better time in college. Since you're going to be gone, who's gonna do all of my homework? You better do all your work in college, and don't be lazy like you always are. Love forever, Mi

Dan: I'll always remember the bus ride home and spanish class. Jen

Sharon and Milia: Don't forget saxaphones, cross-country, teen theatre, or England. Thanks for all the support, talks, and hugs. Love, Leanne

To Mikey Mouse and Katie: Snow White, theatre times, X and O, 9/1, long talks with Nala. Keep in touch. Your friend forever, Leanne

Becky: I will miss you so much. Remember 9/1, carvel, skim milk, olives, the Hut, sugar-free, little boys and to never change. Love always, Leanne

Jon: Thank you for memories. I'll always remember England. Don't stop dreaming and take care of yourself. Love Leanne

Congratulations Jason! I wish you the best of luck in the future. Love always, Anita

Sabrina: You've always been a great sister and I'll never forget that. When coming into a new school you were there for me. Whenever I needed help you were there for me. You helped me out and kept my spirits up. Thank-you. I don't know what I'm going to do when you leave, but I wish you luck and much happiness. Love always, Janet

Hey Sabrina! It's Jim. Of course you've already read this 'cause you are the Editor, but I just wanted to say thanks for not being a Senior all the time and doing a good job as a stepsister. Jim

The Gang: I'm gonna miss all of you guys next year! Luv ya lots, Liz

Sabrina: I will miss all of our fun days and nights out. Stay cool! Luv ya lots, Buttboy

Becky Roberts: Throughout the one year we have known each other, you have managed to fill a space in my heart that was crying for a friend as great as you. You've been all the support, love, and compassion anyone could ask for. With a hug, I say good-bye to a person I'll never forget. Love always, Kristin Morse

Todd, Yunsung, Sean, and Justin: You guys rock!! Hope you miss us when you're gone because we'll miss you!! Love, Mary, Kelly, and Laura

As we say good-bye to old friends and faces, we are able to welcome new ones. Our minds are filled with different thoughts and experiences. As we part, we look to new beginnings as we travel down the road of life.
